1 I, W. Lawrence Patrick, declare under penalty of perjury as follows:

2 1. I am the court-appointed receiver (in such capacity, the “Receiver”) for certain of the  
 3 assets of the above-captioned the debtors and debtors-in-possession (collectively, the “Debtors”),<sup>1</sup>  
 4 pursuant to certain orders entered by the United States District Court for the Central District of  
 5 California (the “District Court”) and the California Superior Court for the County of San Francisco  
 6 (the “State Court”). I make this declaration in support of the concurrently-filed *Emergency Motion*  
 7 *to Excuse Turnover in Favor of Receiver and to Dismiss/Abstain, or, Alternatively, for Stay Relief*  
 8 *and/or Conversion* (the “Motion”)<sup>2</sup> and for all other purposes authorized by law.

9 2. Except as otherwise indicated herein, this Declaration is based upon my personal  
 10 knowledge. I am over the age of 18 and am mentally competent. If called upon to testify, I would  
 11 testify competently to the facts set forth in this Declaration.

12 **A. Professional Background and Qualifications**

13 3. I am Managing Partner of Patrick Communications, LLC (“Patrick  
 14 Communications”), a media investment banking and brokerage firm that also provides management  
 15 consulting services. I founded Patrick Communications in 1984 and the company is based in  
 16 Columbia, Maryland. I am also the managing partner of Legend Communications, a 25-radio group  
 17 owner, and serve as the Board Chair Emeritus of the National Association of Broadcasters Leadership  
 18 Foundation and its affiliated Political Action Committee.

19 4. From 1982 through 1992, I owned 12 radio stations valued at more than \$75 million  
 20 in seven markets. I also previously served as Chief Operating Officer of Gilmore Broadcasting of  
 21 Kalamazoo, Michigan (“Gilmore”). During my time as COO, Gilmore owned four radio and three  
 22 television stations, as well as 18 cable television stations.

23 5. From 1979 through 1983, I served as Senior Vice President of the National  
 24 Association of Broadcasters (the “NAB”). I was also a professor of communications at both the

25  
 26 <sup>1</sup> The Debtors are Silver State Broadcasting, LLC (“Silver State”), Golden State Broadcasting, LLC  
 27 (“Golden State”), and Major Market Radio, LLC (“Major Market”). Unless otherwise set forth herein,  
 all “Docket” references are to the docket of the Silver State Bankruptcy Case.

28 <sup>2</sup> Unless otherwise defined herein, all capitalized terms herein have the definitions set forth in the  
 Motion.

1 University of Tulsa and the University of Maryland for four years, full-time prior to joining NAB  
 2 and continued to teach at the University of Maryland for an additional 12 years as an adjunct  
 3 professor.

4       6. In addition to these cases, I have served as a federal court receiver or bankruptcy  
 5 trustee in six cases involving 16 broadcast stations. I have served as receiver or trustee at the request  
 6 of the United States District Courts and the United States Bankruptcy Courts for Districts in  
 7 California, Massachusetts, Texas, Ohio, Utah, and Connecticut. In those matters, I served as receiver  
 8 or trustee for television and radio stations located in, among other places: Fresno, California;  
 9 Modesto, California, Oxnard, California; Salt Lake City, Utah; Allentown, Pennsylvania; Savannah,  
 10 Georgia; Davenport-Rock Island, Illinois; Dayton, Ohio; McAllen, Texas; and Hartford, Connecticut.  
 11 In addition, I have served as a consultant on voluntary workouts of more than 50 other broadcast  
 12 stations. I have also represented Bank of America, National Westminster Bank, Fleet Bank, Fortress  
 13 Investments, Cerberus Investments, AMRESCO, RECOLL Management, and MLQ Investors in  
 14 distressed property situations.

15       7. I have testified in 26 federal and state court cases as an expert witness on station  
 16 valuations, contract damage claims, libel damages, and station management and operations. I have  
 17 also testified before Committees of both the United States Senate and United States House of  
 18 Representatives, the Federal Communications Commission (the “FCC”), the Federal Trade  
 19 Commission, the Copyright Royalty Tribunal, and the Australian Communications Department.

20       8. In 1972, I received a Bachelor of Arts in Telecommunications from the University of  
 21 Kentucky. In 1973, I received a Master of Science in Communications from the University of  
 22 Tennessee. In 1975, I received a Ph.D. in Communications from the Ohio University. In 1979, I  
 23 received a Juris Doctor from the Georgetown University Law Center.

24       9. Further detail concerning my professional experience and qualifications is provided  
 25 in my Curriculum Vitae, a true and correct copy of which is attached hereto as Exhibit 1.

26 **B. Appointment as Receiver**

27       10. On November 16, 2012, Bellaire Tower Homeowners Association (“Bellaire”) filed a  
 28 complaint (the “Bellaire Complaint”) against Golden State in the State Court, which initiated the case

1 captioned *Bellaire Tower Homeowners Association v. Golden State Broadcasting, LLC*, Case No.  
 2 CGC-12-526191 (the “Bellaire Case”). On July 22, 2014, the State Court entered a judgment (the  
 3 “Bellaire Judgment”) in favor of Bellaire and against Golden State in the amount of \$111,426.06  
 4 after application of a security deposit. I understand that the unpaid balance of the judgment is not  
 5 less than \$340,039.85 and that interest, costs, and attorney’s fees continue to accrue, pursuant to the  
 6 Bellaire Judgment. On October 22, 2020, the State Court entered an order appointing me as the  
 7 Receiver of the defendants’ assets in the Bellaire Case

8       11. On April 1, 2016, WB Music Corporation and certain other plaintiffs (collectively,  
 9 the “Plaintiffs”) filed a complaint (the “WB Complaint”) against Silver State, Golden State, Royce,  
 10 Playa Del Sol Broadcasters (“Playa”), and Mr. Stolz in the District Court, which initiated the case  
 11 captioned *WB Music Corp., et al. v. Royce International Broadcasting Corp., et al.*, Case No. 5:16-  
 12 cv-00600-JGB-SP (the “WB Case”). On May 22, 2018, the District Court entered a judgment (the  
 13 “WB Judgment”) in favor of the Plaintiffs and against each defendant (including Golden State and  
 14 Silver State) in the amount of \$330,000 plus interest. The WB Judgment was amended three times  
 15 during the course of the WB Case. On July 6, 2020, the District Court entered an order appointing  
 16 me as the Receiver of the defendants’ assets<sup>3</sup> in the WB Case (the “Receivership Order”).

17 **C. The State of the Debtors’ Radio Stations**

18       12. At the time of my appointment as Receiver, the Debtors’ principal, Mr. Stolz had  
 19 essentially shut down the operations of the Radio Stations either months or a year earlier. By way of  
 20 example, the Radio Stations did not employ the following types of personnel that are common for an  
 21 operating radio station: local managers, sales executives, traffic personnel (personnel who schedule  
 22 commercials and prepare billing for advertising clients), on-air announcers, production personnel, or  
 23 engineers. As a result of these and other operational decisions, Mr. Stolz had stripped the Radio  
 24 Stations of all costs commonly associated with an operating radio station. As such, the Debtors’  
 25 Licenses are the only material assets aside from some older broadcast equipment. The Radio Stations  
 26

---

27       <sup>3</sup> Among other things, the Receivership Order appointed me as receiver of the Debtors’ three FM  
 28 Radio Stations. For the avoidance of doubt, the Debtors’ AM Radio Station and three translators (e.g.,  
 low-power FM stations) are not assets of the Debtors’ receivership estate.

1 do not generate significant revenue to pay for the expenses of the Receivership estate or typical radio  
 2 station operations.

3 **D. The Sale to VCY America, Inc.**

4 13. On August 17, 2020, I informed the District Court of a *bona fide*, all-cash offer to  
 5 purchase the Radio Stations and requested that the Court review the offer *in camera*. As set forth in  
 6 the offer, VCY America, Inc. ("VCY") proposed to acquire the Debtors' three FM Radio Stations for  
 7 a cash purchase price of \$6 million. I recommended that the District Court approve the proposed sale  
 8 to VCY because it was the highest and best offer I received for the Radio Stations after a thorough  
 9 marketing process that followed an unsuccessful, year-long marketing effort by the Debtors. On  
 10 November 9, 2020, following *in camera* review of the proposed transaction documents, the District  
 11 Court entered an order authorizing the sale (the "Sale Order") to VCY.

12 14. The transfer of the Licenses to VCY is subject to review and approval by the FCC,  
 13 which remains pending as of the date of this Declaration. In the interim, VCY has undertaken  
 14 significant expense to bring the Radio Stations into working and permittable condition. By way of  
 15 example, as of March 2021, VCY had expended approximately \$2,700 in travel costs related to due  
 16 diligence; \$20,000 in contract engineering costs; \$45,000 in legal fees through December 31, 2020;  
 17 \$80,000 to purchase equipment necessary to bring the Radio Stations into compliance with their  
 18 Licenses; and an escrow payment of \$600,000 to purchase the Radio Stations. The FCC approval  
 19 process remains in limbo as Mr. Stolz continues to assert non-meritorious bases for delay.

20 I declare under penalty of perjury under the laws of the United States that the foregoing is true  
 21 and correct.

22 Executed this 23rd day of November, 2021.
